Linda Cothiere

Dear Ms. Cothiere,

As President of the United Teachers of Dade, which represents over 27,000 teachers and education support professionals, it brings me great satisfaction to give you our full endorsement. We know that you will make a difference on the Miami-Dade County School Board by advocating for sound educational policies, working to improve the budget to support student programs and staff compensation, improving working conditions which are our students' learning environments, and blocking attempts to privatize our neighborhood schools. We know that your leadership and vision for our public schools' future will continue to help us positively impact the 330,000+ children that we educate each day.

Feel free to use our name and logo in accordance with applicable law. We will be working with you to enhance your visibility and to help you win your district as we anticipate your victory and our continued partnership in making things better for our community.
